# City Focus | **NEW YORK**

curated by Lisa Denney

This collection of art-inspired patterns is our ode to the city of New York. By far it's one of the most inspiring places in the world. From the shops and restaurants, to the art museums, this city vibrates with pattern, texture, and the bustle of life. The artist Georgia O'Keeffe once said "One can't paint New York as it is, but rather as it is felt."
