

HOSPITALITY | MONTHLY TREND

# Folklore

curated by Lisa Denney

The change of seasons brings about a certain mood. The leaves turn shades of amber, then fade and fall, and a new world is revealed of cool greys, sepia tones, and persistent evergreens. Folklore recalls memories of people, places, and things that make up our own personal history. Moody, nostalgic, and filled with icons precious to the heart, think of Folklore as “cottagecore’s” emo sister.
